

3rd Annual 9/11 Hero's Ride in Memory of Lance Corporal Taylor B. Prazynski

On the anniversary of the 9/11 attack in 2005 a group of motorcycle enthusiasts joined together to raise funds in honor of one of their very good friends son. Lance Corporal Taylor Prazynski was killed in May 2005 while serving in Iraq; he was only 20 years old. However, our group is well aware that Prazynski was not the only soldier who lost his life; during 2005 the state of Ohio lost many military personal to the War on Terrorism.

With this in mind, our group made an effort to join forces with "Impact a Hero". "Impact a Hero" - Impact Player Partners is a nonprofit organization consisting of business leaders, athletes, entertainers and sports franchises dedicated to providing continuous emotional, career and financial support to American military personnel who are severely injured or disabled due to serving all Americans in the War on Terror. This year we would like to make our event even larger than the first. Since September 2005 we've had over 800 individuals participate, over 700 motorcycles, and raised close to \$14,000 for Impact a Hero.

Your donation would help us spread the word regarding our event and lead to a more successful event each year. It will also give your organization an opportunity to advertise the wonderful products and services you have to offer to the Greater Cincinnati Area.

Please help us support the men and women who serve this Great Nation.

Sincerely,
